THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Bristol, in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Bristol on Tuesday, the tenth (10) day of March next, at nine of the clock in the forenoon to act upon the following subjects:

1. To choose Selectman for the term of three years, and choose all other necessary Town Officers for the ensuing year.

2. To raise such sums of money as may be necessary to defray town charges for the year ensuing, and make appropriation of the same.

3. To see what sum of money the Town will raise for the support of Highways and Bridges for the year ensuing, and make appropriation of the same.

4. To see if the Town will vote to raise the sum of twenty-five hundred dollars (\$2,500.00), the State Highway Department's estimate for Trunk Line Maintenance for the year ensuing, and raise the sum of two thousand dollars (\$2,000.00), the State Highway Department's estimate for State Aid Maintenance for the year ensuing, and make appropriation of the same.

5. To see if the Town will vote to ask for State Aid for new construction road, and if so to raise the sum of twenty-five hundred and twelve and 12-100 dollars (\$2,512.12), and make appropriation of the same.

6. To see if the Town will vote to raise, instead of setting aside from the regular Highway money, the sum required by law, for the purpose of permanent improvement (\$1,674.75), and any additional sum for the said

permanent improvement, and make appropriation of the same.

7. To see if the Town will vote to raise the sum, not exceeding five hundred dollars (\$500.00), for the purpose of painting the Iron Bridges in said Town, and make appropriation of the same.

8. To see if the Town will vote to accept the provisions of Chapter 85, of the Revised Statutes, relating to the building or rebuilding, and replacement of the present covered bridge over Fowlers River "so-called," in said town, and ask for State Aid as provided in said Chapter or its amendments if any, and if accepted and adopted, to raise and make appropriations, that may be deemed necessary to defray cost of construction of said bridge and approaches incident to the same, said Bridge Site, commonly known as "the Fowlers River Bridge."

9. To see what action the Town will take relative to building a new bridge over Fowler's River to replace the old covered bridge, and raise and appropriate such sums of money that may be necessary for the construction of said bridge, said bridge commonly known as the "Fowlers River Bridge."

10. To see what sum of money the Town will vote for the Construction and Maintenance of Sidewalks for the ensuing year, and make appropriation of the same.

11. To see what sum of money the Town will vote for the Construction and Maintenance of Sewers for the year ensuing, and make appropriation of the same.

12. Agreeably to vote of the Town at the annual meeting March 8, 1921, to elect five (5) members of the Budget Committee for a term of three years, and fill any vacancies in said committee.

13. To see if the Town will vote to raise the sum of one hundred and fifty dollars (\$150.00) for the observ-

ance of Memorial Day, and make appropriation of the same.

14. To see what action the Town will take relative to making a Contract for a term of years, for Street Lighting, and choose Agents or Committees with authority to make and execute such a contract.

15. To see if the Town will vote a sum not exceeding five hundred dollars (\$500.00) to purchase a Snow Plow Equipment, suitable to be attached to an ordinary truck, the same to be used as auxiliary snow plowing in connection with present equipment, and make appropriation of the same.

16. To see if the Town will vote to authorize the Selectmen to convey by deed of quitclaim, any right, title or interest it may have, in the Moore's Mill Cemetery, so-called, and also a small triangular piece of land located at the junction of road, a short distance north of New Hampton Bridge, and the road leading to and by the School House and onward, said deed to be executed in favor of the Public Service Company of New Hampshire, any expense in making this transfer to be paid by said Public Service Company.

17. To see if the Town will vote to raise the sum of fifty dollars (\$50.00) or any part thereof, to be expended under the direction of the Selectmen, to improve the Town Lot, so-called, on the west shore of Newfound Lake; make it more accessible from the highway and more enjoyable to the general public for bathing purposes, etc. And to instruct the Selectmen to withdraw permission for the erection of campers' tents and remove all camp structures which are without rights on said property, and make appropriation of any money voted for this purpose.

18. To see if the Town will vote to re-condition and put Tarvia Surface on Spring Street, beginning at Central

Square and also on Merrimack Street from the foot of the hill near the house owned by Garrie Kirk on Central Street to the top of the hill to connect with Summer Street, and from Central Square to the Electric Light Station on Central Street, and raise and make appropriation for the same.

19. To see if the Town will vote to re-condition and put Tarvia Surface on Hillside Avenue from the intersection with Lake Street to the Old Turnpike, so-called; also that part of Green Street which the Selectmen may deem necessary, and raise and appropriate money for the same.

20. To see if the Town will vote to adopt sections 8, 9, 10, 11, 12, and 13 of chapter 379, "Public Laws of New Hampshire," pertaining to the curfew regulations, thereby establishing a curfew regulation which would enforce all minors under 16 from public streets and public places after the hour of 9 o'clock in the evening unless accompanied by parent, guardian, or other suitable person, and if adopted to see how much money the Town will vote to raise for necessary equipment and cost of officer to enforce the law.

21. To see if the Town will vote to instruct the Selectmen to employ police protection the full year, similar as now employed for the summer months.

22. To see if the Town will vote to have the Selectmen appoint a Police Office instead of electing one for the ensuing year 1931.

23. To see if the Town will vote to have the Selectmen appoint one or more Road Agents instead of electing one for the ensuing year of 1931.

24. To see what action the Town will take with regard to Band Concerts in the summer time, and to raise and appropriate money for the same.

25. To see if the Town will vote to have the Selectmen advertise for bids for constructing the permanent improvement on highways, for the ensuing year of 1931.

26. To see if the Town will vote to adopt the following By-laws under Chapter 42, Section 30, of the Public Laws: Any place conducted as a public dance-hall, situated within one-eighth of a mile of any building occupied in whole or in part, as a dwelling, hotel, or lodging-house, must close as to the dance at 11:45 P. M., Standard Time, and the hall itself must be closed not later than 12:00 P. M., or midnight. No such place shall open or re-open between the hours of midnight and 10:00 A. M., for the purpose of conducting a public dance.

No person, persons, partnership, association, corporation, fraternal or charitable organization shall conduct a public dance in the Town of Bristol, without first obtaining a permit from the Selectmen of said town so to do.

27. To transact any other business that may legally come before said meeting.

Given under our hands and seal this twenty-first day of February, in the year of our Lord nineteen hundred and thirty-one (1931).

MINOT-SLEEPER LIBRARY—REPORT OF TRUSTEES

To the Inhabitants of the Town of Bristol:

At the conclusion of another year we, the trustees of Minot-Sleeper Library, hereby submit our annual report. There has been little change in the regular work of the library which has been opened to the public each Wednesday and Saturday afternoon and evening, barring holidays. Again we can report painstaking effort on the part of the librarian, Miss Mary A. Rogers, who will continue to serve the public. Especially does she co-operate with the teachers and pupils of the schools, assisting in every way to carry out the wish to make the library as efficient as possible in the work with the young people.

During the past year the library sign, donated by the Bristol Woman's Club, was put into position; the grounds have been graded; and the fence replaced by a cement curbing. It is hoped that before the end of another year a lavatory and toilet may be installed in the building, and that the lighting arrangement will be improved.

At the annual meeting, the librarian's report showed a total of 18,228 books loaned, an increase of about 1,000 over that of the preceding year. Of these 9,650 were fiction, 4,794 children's books, 2,895 non-fiction, and 889 magazines. The increase of 1,000 was about evenly divided among the four classes of books. Patrons using the reading room numbered 4,568. One hundred and eighty-three books were added during the year. Miscellaneous receipts from dues, fines, etc., amount to \$60, one set of Bristol History, \$5, making the total incidental receipts at the library \$65.

The trustees have officially accepted the conditions prescribed in the will of Mabel N. Bickford, giving the specimens which once belonged to her father, together with a legacy of \$300 to the library, a case for the specimens to be paid for by the estate.

Interest in the reading room continues on the increase. Our tables are supplied with a large assortment of the most valued magazines now published. This is made possible through the Minnie Maria Day-Jackman Fund, in which help the town is very fortunate; and trustees and patrons are certainly very appreciative. Besides the use of the magazines on the tables themselves, all except the current issues are loaned on the library card as are the books. A few of those which are valuable to retain as reference books are bound and placed on the shelves, and some use is made of all the discarded magazines at the close of the year, in each case when of no further use to the library, itself, they are placed, if possible, where they will be appreciated.

Magazines to be found on the tables are the best and include American, American Boy, American Girl, American Forests and Forestry, Child Life, Junior Home, Atlantic, Asia, Century, Geographic, Woman's Home Companion, Granite Monthly, Harper's, Ladies' Home Journal, Literary Digest, Nature Magazine, Our Dumb Animals, Our World, Outlook, Pictorial Review, American Issue, St. Nicholas, Linn's Weekly Stamp News, Popular Mechanics, World's Work, Popular Science, Current History, Scientific American, The Pathfinder, Every Girl, American Home, Good Housekeeping, School Arts Magazine, Book Review Digest, Better Homes and Gardens, Embroideress, Scribner's, Audubon Society of N. H., D. A. R. Magazine, American Nature, The Mentor, Vogue, Country Gentleman, and others. A few periodicals are contributed by clubs and individuals;

but otherwise this reading room is supported by the Day-Jackman Fund.

Through this fund, also, the library is to be supplied with a new dictionary and new encyclopedias, the old volumes to be given to the schools.

Five books, received as prizes by the Congregational church in recent reading contests, have been donated to the library and a generous contribution of books, paintings, and pictures was given by Miss Lillian Bryant, formerly of Murray Hill, these having been in the library of her sister, the late Mrs. J. G. Kellogg.

The age limit of those entitled to take books from the library is eight years, and the privileges extend to people residing in the nearby towns. This privilege is taken advantage of to some extent.

The trustees feel that there are many relics of historical value which should be preserved at the library. As far as space will allow they will most gladly accept such gifts, or it is suggested that perhaps some possible preservation could be made for them until the enlargement of the library, which is confidently expected at some future time. It was requested that any having such articles which they would like thus preserved confer with some of the trustees, when the subject would be considered and some provision made if possible to receive them. Primarily, the hope is to preserve articles of historic or other value, even though display cannot be given at present. Gifts large or small will be gratefully received.

The trustees have organized for the coming year, with the following officers: Fred H. Ackerman, chairman; Miss Mary D. Musgrove, secretary; Miss Mary A. Rogers, librarian; Fred H. Ackerman and Miss Musgrove, executive committee; Mrs. Maude M. Pollard, Miss Musgrove, Mrs. Ferguson, Fred H. Ackerman, and

Karl G. Cavis, book committee; Karl G. Cavis, auditor;
and John W. Dole, treasurer.

The trustees sincerely desire to make the library
the greatest possible asset to the community.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Boards of the School Districts in the
Town of Bristol:

I submit herewith, my eighth annual report as
superintendent of schools.

BRISTOL UNION SCHOOL DISTRICT

The first table of figures is the statistical report for
the year 1929-30. (See page 72.)

May I call your attention to the number of half
days that schools were in session. An effort was made
during the year to get just as many teaching days as
possible. To this end vacations were arranged so that
some of the days ordinarily given as holidays would
come in vacations. The usual school year of thirty-six
weeks has 360 half days. All schools approached very
nearly this goal.

The per cent of attendance is high, the number of
tardinesses per pupil is low. This good record is due
largely to the untiring efforts of the teachers and the
co-operation of the parents.

The per cent of promotions is commendable. Pupils
ought not to be advanced to the next grade until they
are ready, yet it is an expense to educate a pupil a second
time in the same grade. That should be avoided as
much as is consistent.

For a number of years the teachers have prepared
at the middle of the year a list of pupils whose chances
of promotion at that time are doubtful. Notices are
then sent to the parents of these pupils acquainting them
of the fact that their children need to work a little
harder. Some parents come and talk over with the
teachers and learn what the trouble is. I think this may

As near as I can determine at this time of the year, after an inquiry as to the number of outside pupils who will enter the freshman class next year, there will be a freshman class numbering between forty and forty-five.

Summer Changes

In order to relieve the overcrowded condition of the high school the physics laboratory was moved to the girls' play room.

The high school assembly room was originally designed to seat sixty pupils. To place ninety or a hundred pupils in such a room and maintain discipline was considerable of a task.

Twenty desks were moved from the assembly room and placed in the former laboratory. This is now used as a senior home room and at other times as a class room. This has helped to relieve the congestion in the main room.

Looking Ahead

At this time of year thought should be taken of the year to come.

The entire enrollment of the high school will probably run about 115.

Some of the classes at the present time number close to thirty pupils. If possible another teacher should be added to the faculty to relieve the teacher load and reduce the size of classes. The administration work of the school is increasing yearly. The headmaster should have more time to devote to this phase of the work. The entire second floor should in the near future be devoted to the high school.

Care should be taken, however, in the developing of the high school to avoid doing so at the expense of the elementary schools. Probably the fifth grade will need

to be divided again as is done this year. At the present time this is working very well.

Rural Schools

Below is the statistical report of the Lake and Dolloff schools. The figures are very satisfactory. The problem of attendance is somewhat different in a rural school from that in a village school. Transportation over snowy roads in winter and in muddy roads in spring is a problem not yet wholly solved.

School Nurse

The medical inspection of the pupils was done by a registered nurse. Miss Margaret O'Hara was engaged for about two weeks.

1930-31

Mrs. Thelma Colby who taught at the Lake school for three years and Miss Marjorie Brown who had taught the Dolloff school for a longer time both withdrew at the end of the year.

Miss Vera Gordon was engaged to teach at the Lake and Miss Vera Harvey to teach at the Dolloff school. Both graduated from the Plymouth Normal school in the class of 1930.

Lake	Vera Gordon		3	0	2	2	2	0	2	2	13
Dolloff	Vera Harvey		3	2	5	1	1	2	1	4	19

At the present time there are no non-resident pupils at the Lake school. Bridgewater opened the Turnpike school and removed seven pupils who were in attendance last year.

Summer Repairs

During the summer the interior of the Dolloff school was repaired. The walls and ceiling were painted and the equipment was moved from the Profile Falls school. A parlour heater was installed. All three of the rural school buildings are now in a very good state of repair, and a credit to the district.
